FACE COVERINGS

(All Guests must wear face coverings at all times while inside the hotel)

WRAP UP WARM

(We would recommend anyone wishing to visit our beer garden to wrap up warm as we have no outside heating)

PROHIBITION

(The current National regulations are that no alcohol can be served inside the hotel. We are now offering Alcohol Free substitutes of some of your favorites. We are still able to serve Alcohol in the beer garden 12:00-22:00 and for residents as room service only 12:00-22:00. The current national regulations also ban BYOB for any of the public area's)

TIME TO GO

(There are currently two national curfews in place Non-residents must be off the premises by 18:00 and residents must be in their room by 22:00 please follow all staff instructions as they enforce these guidelines)

STAY SAFE

(All guests must observe social distancing & increased hand hygiene while visiting Busta House)

NEW WAY IN

(The Side door to the Garden is now the main entrance please wash your hands in the portable sink, press the buzzer & queue here (If the sink is not outside please enter the side door where you will find the sink)

PAY SAFE

(We are requesting that payments are made by credit/debit card wherever possible)

COFFEE AT YOUR TABLE

(The long room use will be very limited due to Social Distancing & the soft furnishings (we will be prioritizing the use of the long room to residents but unfortunately not all our residents will have use of the room)

SERVICE PLEASE

(When you arrive, you will be given a pager for your table/group. This will give you an easy way to contact staff, we are offering full table service so please stay at your table as much as you can)
